

Welcome to the [/c/BalconyGardening](#) wiki!

We can use this space as a guide to help each other start and tend to our balcony gardens.

If you have any suggestions, then please don't hesitate to tag @Toaster@slrpnk.net or any other member of the mod team in a post, comment, or DM.

Happy Gardening!

No balcony? No problem!

There are plenty of other ways to garden:

- Join or create a community garden
- Guerrilla gardening **with known, native species**
- Tend to [local wild fruit trees](#)
- Houseplants
