2025/10/31 11:48 1/2 Locations

## Locations

This page provides links to pages describing locations in world. Because of the open-source nature of Fully Automated we encourage any and everyone to imagine what the world of Fully Automated looks like in the places that matter to them, and we don't police adherence to a central cannon. Players are encouraged to make use of whatever they find here and contribute their own materials to help localize the game in diverse settings.

## The Americas

Southern	Calliornia

The California Bay Area

The Great Lakes

**New England** 

The Gulf Coast

## **Europe**

Denmark?

**Africa** 

Asia

**Oceana** 

Other locations on Earth

**Off World**
