

Fully Automated! TTRPG Assets

This page provides downloadable links to game assets and other resources for the Fully Automated! open source tabletop RPG. If you're not familiar with the game, learn more at our website (fullyautomatedrpg.com) or on our Lemmy community (slrpnk.net/c/fullyautomatedrpg).

Currently, this wiki includes maps for the stories contained in our first collection of adventures, "Campaign 1: Regulation!". Eventually, we hope it will serve as a repository for independently generated content.
