Welcome to the work in progress community wiki for https://slrpnk.net

For technical documentation of the SLRPNK Lemmy instance please visit the hosted projects wiki on F-hub.org.

Current plan for this wiki:

- Link accounts to Lemmy instance
- Limit access to community moderators and automatically link Wiki groups to communities
- Create independent name-spaces on this wiki for each Lemmy community to have their own wiki area
- Automatic sync of wiki content to a git repository for resilience and external contributions
